

# Bracemate® Body Sleeves™

**The Most Innovative  
and Highest Quality  
Body Sleeve Available!**

Bracemate Body Sleeves® from Comfort Products use CoolMax® to produce a high density product that moves moisture away from the body faster than other interfaces.

**Features include:**

- CoolMax® wicks moisture away from the skin to keep the wearer dry and comfortable
- Breathable fabric allows wearer to feel cooler in summer and warmer in winter!
- Full range of sizes from pediatric to full figured adults!
- Reinforced neck and arm openings
- Superior cushioning for outstanding comfort
- Flat knit for a super soft feel
- Extended wear life
- May be machine washed and dried

**Available styles include:**

- Standard with shoulder straps
- Axilla flaps on one or both sides
- Tube style
- Shoulder caps on one or both sides

**Bracemate Size Chart and Part Numbers**

| SIZE     | FLAT WIDTH | FLAT LENGTH | CIRCUMFERENCE |     | STANDARD | WITH ONE AXILLA FLAP | WITH TWO AXILLA FLAPS | TUBE STYLE |
|----------|------------|-------------|---------------|-----|----------|----------------------|-----------------------|------------|
|          |            |             | MIN           | MAX |          |                      |                       |            |
| Small    | 6"         | 14"         | 16"           | 24" | BMS      | BMSF1                | BMSF2                 | BMTSS      |
| Medium   | 8"         | 16"         | 22"           | 32" | BMM      | BMMF1                | BMMF2                 | BMTSM      |
| Large    | 11"        | 20"         | 30"           | 40" | BML      | BMLF1                | BMLF2                 | BMTSL      |
| X-Large  | 15"        | 24"         | 38"           | 56" | BMXL     | BMXLF1               | BMXLF2                | BMTSXL     |
| XX-Large | 18"        | 26"         | 40"           | 64" | BMXXL    | BMXXLF1              | BMXXLF2               | BMTSXXL    |

**Extremely comfortable with great durability!**
