

Foot Cast Socks from Comfort Products make taking casts of the foot a walk in the park! Designed specifically for taking casts of the foot, Comfort Foot Cast Socks feature a special reciprocated heel and toe that helps the sock conform to the foot. The 100% natural cotton construction with double gore heel reduces stretch points in the heel area.

Step up to an economical and simple means for taking accurate foot casts. Offered in shoe sizes 8 - 13 and conveniently packaged one dozen socks per size.

Features include:

- Reciprocated heel and toe that helps the sock conform to the foot
- Double gore heel reduces stretch points in the heel area
- Elastic top helps hold sock in place while casting
- Simplifies the process of taking a foot cast
- Very economical!

Shoe Size	Socks Per Package	Part Number
8	12	OCS8
9	12	OCS9
10	12	OCS10
